Overview of Agency

Todd Associates, Inc. was established in 1939 as a multiple-lines insurance agency, to serve its industrial, commercial and business clients. With a staff of over 50, we are committed to providing a quality product at the best value. We have "state of the art" system capabilities to support this. In addition to a large Property and Casualty department, we also have a Bond unit and a department that specializes in Group Health and other related benefits.

Schools Are One of Our Specialties

If you are looking for an agency that has long term experience in handling school's insurance needs, Todd Associates would be an excellent choice. Since 1986, we have provided comprehensive insurance programs, specifically designed to meet the needs of schools. Our track record speaks for itself. The far majority of our school customers are long term and we currently have a client base of over 30 schools in the Northeast Ohio area.

Due to the success associated with our program, we have expanded our school operations over the last few years. We employ a dedicated staff of account managers to handle property & casualty business. In addition, we have loss control personnel on board to assist you with risk management issues and claims staff available to take care of you in a professional, expeditious manner. These employees have extensive experience within the insurance industry and are highly trained in their field.
