RE: Brecksville/Broadview Hts. Middle School Roof Bid

Dear Greg:

After reviewing figures and take-offs I found some mathematical errors with our bid form.
After correcting measurements and revising our estimate we cannot hold our numbers as submitted on
our bid form dated January 17, 2018.

Please use this letter as our official withdrawal from the project bid. We sincerely apologize for this
mistake. Please contact me to further discuss any details related to this project.

Sincerely,

Michael L. Cappy
President
