

FISCAL OFFICER'S CERTIFICATE

TO THE BOARD OF EDUCATION OF THE BRECKSVILLE-BROADVIEW HEIGHTS CITY SCHOOL DISTRICT, OHIO:

As fiscal officer of the Brecksville-Broadview Heights City School District, I certify in connection with your proposed issuance bonds in a maximum aggregate principal amount of \$44,500,000 (the Bonds), being bonds authorized by the voters of the School District at an election on May 8, 2018, for the purpose of constructing, furnishing, equipping and otherwise improving a new elementary school, renovating, remodeling, adding to, furnishing, equipping and otherwise improving existing School District buildings and facilities and acquiring, clearing, improving and equipping real estate for School District buildings and facilities (the Project), that:

1. The estimated life or period of usefulness of each class of the improvements included in the Project is at least five years.

2. The maximum maturity of the Bonds, calculated in accordance with Sections 133.19 and 133.20 of the Revised Code, is thirty-five years. That maximum maturity is based on (i) my calculation of the average number of years of life or period of usefulness of the improvements as measured by the weighted average of the amounts of proceeds of securities authorized at the election on May 8, 2018, proposed to be expended for the several classes of the improvements included in the Project, which is not less than thirty-five years; and (ii) the fact that the Bonds were approved by the electors with a maximum maturity of thirty-five years.
