Dear Mr. Madak:

Enclosed is the annual contract for Special Education Services provided by Positive Education Program (PEP). This agreement is being sent to both the district superintendent and the district's lead special education administrator. Please sign the agreement and return it to:

Bruce Basalla, Treasurer
Educational Service Center of Cuyahoga County (ESCCC)
6393 Oak Tree Blvd.
Independence, OH 44131

Like many school districts, PEP is experiencing the effects of reduced funding. The state is implementing significant changes in Medicaid that directly affect PEP. Like you, we are carefully managing resources to balance the loss. Rates for the 2016-2017 school year reflect a 2% increase.

This summer, as always, PEP is operating weekly psychiatric clinics for students receiving psychiatric services at PEP. The service is free of charge to districts. Case managers are on call and will be actively working throughout the summer.

PEP Assist is a service offered to districts aimed at maintaining challenging students in the district. PEP Assist services are available through full year contracts or on an as needed basis for consultation or training.

PEP Connections offers mental health services to children and youth throughout Cuyahoga County for children ages 3-17. Students who have not had a mental health assessment, but show evidence of a Serious Emotional Disturbance will be offered an assessment to determine eligibility. These mental health and assistance services are available at no charge to the district.

Thank you for your continued support of Positive Education Program. Please contact Frank Fecser at 216-361-7760 ext. 123 for more information or to discuss the contract or services.

Sincerely,

Robert A. Mengerink, Ed. D.
