Brecksville, OH 44141-1599

Dear Joelle:

Positive Education Program is offering an Extended School Year (ESY) program for students of our Prentiss Autism Center. It is designed to give a better option to students, families and school districts as they plan for the summer academic break period. It will operate Monday through Thursday for four weeks, from July 10 to August 3, 2017.

This letter and attached agreement are being sent to the district superintendent and special education director. The professional staff at Prentiss indicates that your district has expressed interest in placing one or more students into this summer's ESY program. To facilitate the administration of this program we have a contract document between your district and the Educational Service Center of Cuyahoga County (ESC) attached to this letter. The total cost is \$4,400, (the amount is equal to a per diem charge of \$275, but we are asking that your district commit to the full four-week charge). As is the case during the regular school year, transportation and associated costs will continue to be provided by the student's school district.

Please sign the agreement and return it to:

Bruce Basalla, Treasurer
Educational Service Center of Cuyahoga County (ESCCC)
6393 Oak Tree Boulevard
Independence, OH 44131

Thank you for your continued support of Positive Education Program. We are working to meet your needs and are very interested in your continuing feedback. Please contact Frank Fecser at 216 361-7760 ext. 123 for more information or to discuss this contract or our services.

Sincerely,

Frank A. Fecser, Ph.D.
